## FROM OUR PASTOR

And let the peace of Christ control your hearts, St. Paul tells us. Our families are great gifts; our families are also where we might encounter the deepest heartache. That is why we turn to Christ to guide our actions and help us to love in good times and bad, as He loved us. A good new year's resolution might be to pray for each family member by name, asking the Holy Spirit to guide your relationship with even the most difficult people in your life. Let's all pray that in 2020 the peace of Christ will control our hearts and the life of our parish and our world.

Praying-in 2020. This December 31, at 11:00 PM, we will have an exposition of the Blessed Sacrament in our church, with benediction at midnight to ask God's blessings on the New Year. We invite anyone who would like to join us in this prayer. May the Lord bless and keep you now and all through 2020!

Fr. Bobby

**Did you know? Everyone is in charge of their own bodies.** It is important to allow children to decline signs of physical affection if they are uncomfortable or don't want to receive them. It's also equally important to teach children that this rule works both ways — if someone does not want a hug or a kiss, that decision should be respected. For young children who may be grabby or touchy-feely, this can be a tough lesson to instill, but it sets the groundwork for a critical understanding of the word "no" and how to react to it. Remind children about their own boundaries, and the boundaries of others, and reinforce ways to express love and friendship while respecting those boundaries. **¿SABÍA USTED? Todos tenemos control sobre nuestros propios cuerpos.**

Es importante permitir a los niños rechazar señales de afecto físico si ellos se sienten incómodos o no quieren recibirlos. Es igualmente importante enseñar a los niños que estas reglas aplican para ambos lados, si alguien no desea abrazarlos o besarlos, esa decisión debe ser respetada también. Para los niños menores a quienes les gusta ser acariciados o acariciar, esto puede ser una dura lección por inculcar, pero sienta las bases para una comprensión crítica de la palabra "no" y cómo reaccionar ante ella. Recuérdele a los niños sobre sus propios límites y los límites de los demás, y sobre las distintas formas de expresar amor y amistad mientras se respetan esos límites. *Que en sus corazones reine la paz de Cristo*, dice San Pablo. Pedimos también que reine la paz de Cristo en medio de nuestras familias, pero vivir en paz entre familia puede ser un reto grande. Necesitamos el ejemplo y la ayuda de Cristo y su sagrada familia para ayudarnos a vivir con amor y comprensión. Este año les invito a rezar por cada miembro de la familia, especialmente las personas más difíciles, para que el Espíritu Santo los llene de caridad y perdón. Que la paz verdadera de Cristo reine en nuestros hogares y por todo el mundo.

**Empezando con adoración.** Les invito a una hora santa, martes el 31 de diciembre para consagrar el año nuevo. Tendremos exposición del Santísimo y bendición a la 12 medianoche para pedir la bendición de Dios sobre nuestros hogares, nuestra comunidad, y todo nuestro mundo. Favor de venir y rezar con nosotros. ¡Que el Señor les bendiga y ayude por todo el año 2020!

Fray Bobby
