Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

Return to the LORD, your God, with all your heart and all your soul. This is what Moses exhorts the people of Israel to do, and this is also our call. Our faith is not one part of our life, some special corner we reserve for Sundays. Our faith should form the depths of our hearts, so that what we say and do, our actions and attitudes, become an expression of Jesus' Gospel message, which today once more he makes clear: Love God with all that you are and love your neighbor as God loves you.

The Lord bless you all!

Fr. Bobby

Check your smoke alarms

Did you know? The National Fire Protection Association (NFPA) recommends that smoke alarms be installed on every level of the home, inside every bedroom, and outside every sleeping area. Keep alarms away from drafts caused by fans or air ducts, as this could blow smoke away from the sensor. The NFPA also recommends that you test your alarms at least once a month, and replace the batteries every six months, or as soon as a low battery chirp is heard. For more information about smoke alarm safety, visit nfpa.org.

DE NUESTRO PARROCO

Conviértete al Señor tu Dios, con todo tu corazón y con toda tu alma. Así habló Moises con los israelitas, pero estas palabras son también para nosotros. Hay que poner nuestra fe en medio de todo, porque la vida cristiana no es solo cosa para los domingos. Hay que predicar el evangelio de Jesús cada día, por nuestras acciones y palabras, nuestras actitudes y todo nuestro ser. Como dice Jesús de nuevo en el evangelio de hoy: hay que amarle a Dios con todo nuestro ser y a los demás con el mismo amor.

¡Que el Señor les cuide siempre!

Fray Roberto

Revise sus detectores de humo

¿SABÍA USTED? La Asociación Nacional de Protección contra Incendios (NFPA, por sus siglas en inglés) recomienda que se instalen detectores de humo en todos los niveles de la casa, dentro de cada dormitorio y fuera de cada área para dormir. Mantenga las alarmas alejadas de corrientes de aire provocadas por ventiladores o conductos de aire, ya que esto podría alejar el humo del sensor. La NFPA también recomienda que pruebe sus alarmas al menos una vez al mes y reemplace las baterías cada seis meses, o tan pronto como escuche un sonido de batería baja. Para obtener más información sobre la seguridad de las alarmas de humo, visite nfpa.org.

La fe en la resurrección de Jesús dice que hay un futuro para cada ser humano; el clamor por la vida eterna que es parte de la persona es efectivamente respondido. Dios existe: ese es el verdadero mensaje de Pascua. Cualquiera que comience a comprender lo que esto significa también sabe lo que significa ser redimido.
