Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

And I tell you, ask and you will receive; seek and you will find; knock and the door will be opened to you. These words of Jesus are both comforting and challenging, especially in times of transition. As I prepare to move to San Francisco, I ask the Lord to bless this parish and also the people at the National Shrine of St. Francis. It will be hard to leave the Valley and all you brothers and sisters, but what I ask the Lord is to keep us connected in the Spirit.

My last day here is July 31. After that you may contact me at the National Shrine of St. Francis, 610 Vallejo Street, San Francisco, CA 94133. I will send info on e mail and phone once I am there. May Lord bless you!

Fr. Bobby

Preventing heatstroke in hot cars

Did you know? As temperatures heat up this summer, it is critical for parents to remember to take children out of the car every time they park and turn off the engine. Leaving a child alone in a car can lead to serious injury or death. This is especially true in hot weather: a car can heat up 19 degrees in just 10 minutes. Cracking a window is not enough to solve the problem. Leaving a purse or phone — or even a shoe — in the backseat can be a reminder about children who may fall asleep on car rides. For more information, visit <https://www.safekids.org/heatstroke>.

DE NUESTRO PARROCO

As  tambi n les digo a ustedes: Pidan y se les dar , busquen y encontrar n, toquen y se les abrir . Con estas palabras Jes s a la vez nos consuela y nos da un reto: confiar en  l siempre, especialmente cuando experimentamos cambios en la vida. Le pido al Se or que les bendiga a todos ustedes, mis hermanos de la Misi n de Santa In s. Yo voy a echarlos de menos, pero tambi n le pido a Dios que nos mantenemos unidos por el Esp ritu Santo.

Prevenci n de golpe de calor en autos calientes

 SAB A USTED? A medida que aumentan las temperaturas este verano, es fundamental que los padres de familia recuerden sacar a los ni os del autom vil cada vez que se estacionan y apagan el motor. Dejar a un ni o solo en un autom vil puede provocar lesiones graves o la muerte. Esto es especialmente cierto en climas c lidos: un autom vil puede calentarse 19 grados en solo 10 minutos. Romper una ventana no es suficiente para resolver el problema. Dejar una cartera o un tel fono, o incluso un zapato en el asiento trasero, puede ser un recordatorio de que los ni os podr an haberse quedado dormidos en los viajes en autom vil. Para obtener m s informaci n, visite <https://www.safekids.org/heatstroke>.

Jubilee Year

“Forward in Mission” jubilee year is a special time of grace not only to remember the rich legacy of Catholic faith in this land, but above all, to revive the life of faith in our local Church through a fresh proclamation of the Gospel of Jesus Christ and the raising up of a new generation of missionary disciples.
