## ***FROM OUR PASTOR***

Do we embrace the "leper" in our life, and are we grateful when God touches us? We just celebrated the feast of St. Francis. As a young man, he loved beautiful people and things. In his conversion, he grew to love-even embrace-the-lepers. What seemed repugnant to Francis before became the focus of his mission afterward. The love of Jesus had touched Francis while he was ill and weak. With a grateful heart, he turned and did the same to those around him. In the first reading, we see that transformation in Naaman, the Syrian general. We see the transformation of the leper who returns with love to Jesus. Do we recognize just how much the Lord has done? Are we ready to do much less for those who are "lepers" around us? Do we forgive someone who is repentant and asks for forgiveness? Do we remember older people who can't get out and about? Do we pray for so many lepers we see in the news? As good disciples, let us think of Francis, thank the Lord, and ask who needs our embrace today. This month of Mary, let us ask for her help and peace in our world.

Fr. Michael Ronayne

Make a difference by donating new socks in our Sock Boxes located in the back of the Church. Our Confirmation students will sort them and give them to four local agencies to share with people in need in our area. Thank you and God bless you for your generosity.

**Respect Life Month**

**Every October the Catholic Church celebrates Respect Life Month!** This month let's deepen our understanding of why, as Catholics we must cherish and defend every human life from conception till natural death. This October let's celebrate

Respect Life Month by asking our Blessed Mother for her intercession! As Missionary Disciples we can look to Mary's example of love and service. Let's ask for Mary's courage and strength as we work to build a culture that protects and cherishes every human life.

**What happens when children are exposed to violence?**

**DID YOU KNOW?** Children who are exposed to violent or traumatic events can have a range of reactions. Many children will become afraid, preferring to stay at home or close to their parents. They also may begin to struggle in school, or have trouble sleeping or eating. Other children may learn to resolve their own conflicts in violent ways. Parents should be mindful about the ways in which children may be exposed to violence, including in the media and online apps their children consume and even in their own homes. For more information, read "Childhood Exposure to Violence" at <https://www.healthychildren.org/English/safety-prevention/at-home/Pages/Crime-Violence-and-Your-Child.aspx>.

**Octubre Mes de Respeto a la Vida**

¡Cada octubre, la Iglesia Católica celebra el mes para defender la vida!

Este mes profundicemos en nuestro compromiso por valorar y defender la vida humana desde la concepción hasta la muerte natural.

Este octubre celebremos el mes para defender la vida pidiéndole a Nuestra Madre Santísima su intercesión. Como discípulos misioneros, en María podemos ver un ejemplo de amor y servicio. Pidamos el valor y la fuerza de María mientras trabajamos para promover una cultura de vida que proteja y valore cada vida humana.

**DE NUESTRO PARROCO**

¿Abrazamos al "leproso" en nuestra vida y estamos agradecidos cuando Dios nos toca? Acabamos de celebrar la fiesta de San Francisco. De joven amaba a las personas y cosas hermosas. En su conversión llegó a amar, incluso abrazar, a los leprosos. Lo que antes parecía repugnante para Francisco, se convirtió en el foco de su misión después. El amor de Jesús había tocado a Francisco mientras estaba enfermo y débil. Con un corazón agradecido se volvió e hizo lo mismo con los que lo rodeaban. Vemos esa transformación en Naamán el general sirio en la primera lectura. Vemos la transformación del leproso que regresa con amor a Jesús. ¿Reconocemos cuánto ha hecho el Señor? ¿Estamos listos para hacer mucho más por aquellos que son "leprosos" a nuestro alrededor? ¿Perdonamos a alguien que está arrepentido y pide perdón? ¿Recordamos a aquellos que son mayores y no pueden salir? ¿Oramos por tantos leprosos que vemos en las noticias? Como buenos discípulos, pensemos en Francisco, demos gracias al Señor y preguntemos quién necesita nuestro abrazo hoy. En este mes de María, pidamos su ayuda y la paz en nuestro mundo.

Padre Miguel Ronayne

**¿Qué sucede cuando los niños están expuestos a la violencia?**

**SABIA USTED?** Los niños que están expuestos a eventos violentos o traumáticos pueden tener una variedad de reacciones. Muchos niños tendrán miedo, prefiriendo quedarse en casa o cerca de sus padres. También pueden comenzar a tener dificultades en la escuela o tener problemas para dormir o comer. Otros niños pueden aprender a resolver sus propios conflictos de manera violenta. Los padres deben ser conscientes de las maneras en que sus hijos pueden estar expuestos a la violencia, incluyendo los medios de comunicación y las aplicaciones en línea que utilizan, o incluso en sus propios hogares.
