Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy, and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

Are there few who will be saved? Jesus' first disciples seemed to think it was a very important question, especially given Jesus' demanding messages. Jesus' response is meant to make them-and us-pause and reflect: Strive-work-labor- to enter through the narrow gate. Many will try and not be able. Who then can be saved? All of us are sinners and have fallen away from the path of righteousness, faith, & salvation. The Good News is that Jesus is Lord and Savior. He is the way; He is the narrow gate. However-only by following His narrow/demanding way do we enter onto the path to salvation. Being nice is not enough. Sitting in Mass is not enough. We need Jesus' Word, His Sacraments, we need to pray, we need the help of other believers (Church). We need to serve others with love like Jesus. We need Jesus to transform us into a new creation, true children of our Heavenly Father. Often, we don't even know how we are erring or need to grow. God then allows "correction" to come into our lives. As undesirable as it is, loving parents need to "correct" their children so they can be good members of the family. Only by accepting the blessings and the correction, the demands as well as the joys of faith, do we stay on a path to salvation. Are we striving, working, laboring to follow Jesus?

DID YOU KNOW? - What having a “healthy caution” toward adults can mean, part 1

Having a “healthy caution” about adults in your life does not mean treating all adults as potential perpetrators. It is important to increase awareness about the dangers and the signs of abuse without creating paranoia. Safe adults should not be vigilante protectors, but should have a perspective of caution and should not ignore warning signs of inappropriate behavior. To learn more, read the VIRTUS® article “Why Should We Have a ‘Healthy Caution’ Toward Adults” at lacatholics.org/did-you-know.

DE NUESTRO PARROCO

¿Son pocos los que se salvarán? Los primeros discípulos de Jesús parecían pensar que era una pregunta muy importante, especialmente dados los exigentes mensajes de Jesús. La respuesta de Jesús está destinada a hacerles a ellos, y a nosotros, detenerse y reflexionar: Esfúerzate, trabaja, trabaja, para entrar por la puerta estrecha. Muchos lo intentarán y no podrán. ¿Quién, pues, podrá salvarse? Todos somos pecadores y nos hemos apartado del camino de la justicia, la fe y la salvación. La Buena Nueva es que Jesús es Señor y Salvador. Él es el camino; Él es la puerta estrecha. Sin embargo, solo siguiendo su camino estrecho / exigente entramos en el camino de la salvación. Ser amable no es suficiente. Sentarse en Misa no es suficiente. Necesitamos la Palabra de Jesús, Sus Sacramentos, necesitamos orar, necesitamos la ayuda de otros creyentes (Iglesia). Necesitamos servir a los demás con amor como Jesús. Necesitamos que Jesús nos transforme en una nueva creación, verdaderos hijos de nuestro Padre Celestial. A menudo, ni siquiera sabemos cómo nos estamos equivocando o necesitamos crecer. Dios entonces permite que la "corrección" entre en nuestras vidas. Por indeseable que sea, los padres amorosos necesitan "corregir" a sus hijos para que puedan ser buenos miembros de la familia. Solo aceptando las bendiciones y la corrección, las demandas y las alegrías de la fe, nos mantenemos en el camino de la salvación. ¿Nos estamos esforzando, trabajando, trabajando para seguir a Jesús?

¿SABÍAS? - Como pueden tener una “precaución saludable” hacia los adultos, parte 1

Tener “precaución saludable” con respecto a los adultos en tu vida no significa tratar a todos los adultos como perpetradores potenciales. Es importante saber sobre los peligros y las señales de abuso sin crear paranoia. Los adultos seguros no deben ser vigilantes protectores, sino tener una perspectiva de precaución y no ignorar las señales de advertencia de comportamiento inadecuado. Para saber más, lea el artículo de VIRTUS® “¿Por qué debemos tener una ‘precaución saludable’ hacia los adultos?” (Why Should We Have a ‘Healthy Caution’ Toward Adults) en lacatholics.org/did-you-know.
