# OLD MISSION SANTA INÉS

Founded 1804

Capuchin Franciscan Friars ~ Sacred Heart Sisters

## August 30<sup>th</sup> & 31<sup>st</sup>, 2025

### XXII Sunday in Ordinary Time

Sirach 3:17-18, 20, 28-29 / Psalm 68 / Hebrews 12:18-19, 22-24a / Luke 14:1, 7-14

### Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy, and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

### FROM OUR PASTOR

We can understand Humility in different ways. In Biblical terms, Humility does not mean thinking less OF ourselves. Instead, it means thinking more ABOUT God and others. Human beings are made in the image and likeness of God. People of faith are beloved sons and daughters of God. Each one has an important mission to fulfill. We have great value: God does not make garbage. Still, we must remain focused on God and others, following the example of the Jesus. If not, we will not act like members of God's family, we will not fulfill our mission. The great value we have will be lost to selfishness and sin. We all have legitimate needs. However, when I am the center of everything-my wants, my projects, my priorities-I am in a bad place. Instead, Humility, calls us to serve, to make others the center of our world. We serve first our Father in Heaven. Then, as brothers and sisters in Christ, we serve those around us, especially the neediest. Esteem, respect, friendship, a better and more peaceful world are the fruits of humility. As children, we cry and fuss to make known our needs and wants. As children of God, we pay attention to the cries and needs of those around us while keeping our fussing, complaining, and fighting to a minimum. Does our faith-prayer, scripture, sacraments lead us to true humility? We are not doormats; we are called to be true and noble instruments of God most High. May we be truly humble.

Fr. Mike Ronayne

## DID YOU KNOW? - What having a “healthy caution” toward adults can mean, part 2

Having a healthy caution towards adults means requiring all adults to follow safety rules, outlined in policies or codes of conduct, no matter what position they hold in an organization. Adults must also be willing to look at their own behavior and ensure that it is aligned with safety policies and practices. Monitoring the behavior of all adults and speaking up if something is uncomfortable or unsettling — no matter what the relationship between the adults is — it's critical to keeping children safe. For more information, read the VIRTUS<sup>®</sup> article “Why Should We Have a Healthy Caution Toward Adults” at [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).

**DE NUESTRO PARROCO**

La humildad es una palabra muy amplia. In la Biblia, verdadera humildad quiere decir pensar menos en nosotros mismos y mas en Dios y los demas.. Pensamos mas en los demas-no menos de nosotros. Como seres humanos, somos hechos a imagen y semejanza de Dios. Personas de fe son hijos y hijas de Dios Altísimo. Todos hemos recibido una mision importantisima para cumplir. Tenemos un gran valor-Dios no hace basura. De todos modos, necesitamos mantenernos enfocado en Dios y los demas, siguiendo el ejemplo de Jesus. Si no, no vamos a cumplir nuestra mision y nuestro valor va a desaparecer en el egoismo y pecado. Humildad nos invita a vernos como servidores de Dios Padre y los demas-imitando el Senor Jesus. El no ha venido a ser servido, sino para servir. Ciertamente, tenemos necesidades legítimas, que debemos atender. Pero, despues de atender lo verdaderamente necesario, nuestros deseos y ambiciones no deben consumirnos. Primero, hay que buscar el reino de Dios. Despues, hay que tomar en cuenta las necesidades de los demas. Niños gritan y lloran para manifestar sus deseos. Como hijos de Dios, hay que prestar atencion a las lagrimas y gritos de los demas. Hay muchos frutos de humildad-estima y respeto de nuestros companeros, paz, y un mundo y futuro mejor. Nuestra vida de fe-oracion, Biblia, sacramentos-produce humildad en nuestras vidas cotidianas? Nosotros no somos basura; somos llamados de ser instrumentos de fe y servicio de Dios Altísimo. Que seamos verdaderamente humildes.

**¿SABÍAS? - Como pueden tener una “precaución saludable” hacia los adultos, parte 2**

Tener una “precaución saludable” con los adultos significa exigir a todos ellos que sigan las normas de seguridad, recogidas en políticas o códigos de conducta, independientemente del cargo que tienen en una organización. Los adultos también deben estar dispuestos a analizar su propio comportamiento y asegurar que cumplen con las políticas y prácticas de seguridad. Supervisar el comportamiento de todos los adultos y alzar la voz si algo resulta incómodo o inquietante – independientemente de cuál sea la relación entre los adultos – es fundamental para mantener la seguridad de los niños.
