OLD MISSION SANTA INÉS

Founded 1804

Capuchin Franciscan Friars ~ Sacred Heart Sisters

February 22nd & 23rd, 2025

SEVENTH SUNDAY IN ORDINARY TIME

1 Samuel 26:2, 7-9 / Psalm 103 / 1 Cor 15:45-49 / Luke 6:27-38

Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy, and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

Once, unbeknownst to me, while feeding our farm animals, I accidentally stepped on a rotten goose egg. It burst & painted the back of my clothes with smelly goo. Afterwards, I visited some neighbors. Once inside their homes I began to notice the awful smell. Later, I noticed the goo on my clothes. I thought very poorly of our neighbors' cleanliness when I was the one at fault. As humans, intentionally or not, we cause problems for ourselves and others. It is easy to focus on the errors of others. We don't always notice the harm that we cause. Even when we willingly stumble, Jesus forgives us and helps us not to repeat our faults. To err is human, to forgive is divine. Jesus became human to help us act more divinely. We are called to act more mercifully, more compassionately than humans ordinarily act. In an angry and vengeful world, compassion and mercy are not highly valued. As Christians, we can never forget that we are saved by and sent forth to be agents of Divine Mercy. The measure we apply to others is the measure the Lord will apply to us. How grateful are we for God's forgiveness? How willing are we to forgive and help others?

Fr. Mike Ronayne

DID YOU KNOW? - Resources to help with coping during natural disasters

Disasters such as hurricanes, earthquakes, transportation accidents, or wildfires are typically unexpected, sudden, and overwhelming. For many people, there are no outwardly visible signs of physical injury, but there can be nonetheless an emotional toll. It is common for people who have experienced disaster to have strong emotional reactions. Understanding responses to distressing events can help you cope effectively with your feelings, thoughts, and behaviors, and help you along the path to recovery. For resources from the American Psychological Association please visit, <https://www.apa.org/topics/trauma>.

LECTURAS DE HOY**1 Samuel 26:2, 7-9****Salmo 102****1 Cor 15, 45-49 Lucas 6, 27-38****DE NUESTRO PARROCO**

Una vez, sin saber, yo pise y aplaste un juego de ganso en nuestros corrales. Era un juego podrido y me pinte la parte de atas de mi ropa. El liquido era muy appestoso. Luego, me fui para visitar algunas casas. Cuando entre en sus casas, el horrible olor me llamo la atencion. Pense, al principio, que las amas de casa eran culpables- por falta de higiene. Luego he visto el liquido en mies botas y entendi que yo era el culpable. Como seres humanos, facilmente pensamos en las fallas de otros. Frecuentemente, no vemos que todos nosotros somos culpables de hacer nuestros entorno mas desagradable. A pesar de todo, Jesus nos perdona y nos muestra su camino a mejorar nuestros vidas. Errar es humana, perdonar es divino. No solo tenemos que aceptar pero tambien imitar la Divina misericordia y compasion de Jesus.

Tristamente, el espiritu de un mundo vengativo puede infectarnos. La medida que nosotros aplicamos a los demas es la medida que Dios va a aplicar a nosotros. Estamos agradecidos con Dios? Como tratamos a los demas?

Padre Miguel Ronayne

¿SABÍAS? - Recursos para hacer frente a las catástrofes naturales

Catástrofes como huracanes, terremotos, accidentes de transporte o incendios son generalmente inesperadas, repentinas y abrumadoras. Para muchas personas, no hay signos visibles de heridas físicas, pero puede haber un impacto emocional. Es común que las personas que han sufrido una catástrofe tengan fuertes reacciones emocionales.

El conocimiento de posibles reacciones a situaciones de crisis le puede ayudar a afrontar los sentimientos, pensamientos y comportamientos, y ayudarlo en el camino hacia la recuperación.
