Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

What stops me from hearing and responding to God's call?

We start the new year with Samuel's invitation to awaken, like him, to the call of the Lord. We have a new year, a new opportunity, to build a better life for those around us. The call is not always easy to hear.

Many "unclean spirits," lesser voices, distract us. The call of wealth, glory, power, pleasure, popularity are examples. Spirits like anger, discouragement and anxiety can impede our response to Jesus' call. The Devil also knows how to distract and discourage us. Like Peter and the first disciples, we are called to work with others who may be very different and difficult. It's not always hard to hear and respond to Jesus. But we do need to pay attention, to listen with care. We think of last week's readings. Jonah tried to escape God's call. A terrible storm ensued for him and his companions.

Let us pray to hear clearly and respond graciously to Jesus' call.

The world does not need any more storms!

Fr. Mike Ronayne

Class will be held in the RCIA Office, Room F of the school, from 10:00 until 11:30 a.m. on Saturday, Jan. 20th and again on Feb. 24th and is for the parents and godparents of babies and unbaptized children under seven years old.

Please call the RCIA office at (805) 688-4815 (ext. 228) or Sister Diane at (314) 320-7530 to schedule an interview, fill out the baptism and parish registration forms and bring the birth certificate before attending the class. Please invite the Godparents as well since both parents and both godparents need to attend class before your preferred Baptism date. We look forward to seeing you soon, and may God bless you as you prepare for this precious gift for your child.

Let us ask for the grace to be able to transform our families, in the reality of our daily life, a place where God is always present.

DID YOU KNOW? - The crime of child pornography.

Child pornography is the visual depiction of a minor in sexually explicit conduct. There is some general public confusion surrounding the term "child pornography" — for example, some people believe that child pornography can be accidentally found while browsing the internet, or that the "children" depicted are actually older and simply appear younger. Using the term "child pornography" can also minimize the horrors of children being exploited for profit in this way. To learn more, read the VIRTUS® article "Responding to the Crime of Child Sexual Abuse Materials" at lacatholics.org/did-you-know/.

¿SABÍAS? - El delito de la pornografía infantil.

DE NUESTRO PARROCO

¿Qué me impide escuchar y responder al llamado de Dios?

Comenzamos el nuevo año con la invitación de Samuel a despertar, como él, a la llamada del Señor. Tenemos un nuevo año, una nueva oportunidad, para construir una vida mejor para quienes nos rodean. La llamada no siempre es fácil de escuchar. Muchos "espíritus inmundos", voces menores, nos distraen. La llamada de la riqueza, la gloria, el poder, el placer, la popularidad son ejemplos. Espíritus como la ira, el desaliento y la ansiedad pueden impedir nuestra respuesta al llamado de Jesús. El Diablo también sabe cómo distraernos y desanimarnos. Al igual que Pedro y los primeros discípulos, estamos llamados a trabajar con otros que pueden ser muy diferentes y difíciles. No siempre es difícil escuchar y responder a Jesús. Pero sí tenemos que prestar atención, escuchar con atención. Pensamos en las lecturas de la semana pasada. Jonás trató de escapar del llamado de Dios. Se desató una terrible tormenta para él y sus compañeros.

Oremos para escuchar con claridad y responder con gracia a la llamada de Jesús. ¡El mundo no necesita más tormentas!

P. Mike Ronayne

La pornografía infantil es la representación visual de un menor en una conducta sexualmente explícita. Existe cierta confusión entre el público general en torno al término “pornografía infantil”. Por ejemplo, algunas personas creen que la pornografía infantil se puede encontrar accidentalmente al navegar por Internet, o que los “niños” representados son en realidad mayores y simplemente parecen más jóvenes. El uso del término “pornografía infantil” también puede minimizar los horrores de los niños que son explotados para lucrarse con ellos de esta manera. Para obtener más información, lea el artículo en inglés de VIRTUS® “Responding to the Crime of Child Sexual Abuse Materials” (Respondiendo al delito de materiales de abuso sexual infantil) en lacatholics.org/did-you-know/.
