Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy, and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

This July 4th, let us recall the ideals of the Founders of our nation who were able to articulate the philosophy in which our nation is to be anchored. This philosophy very much aligns with what Jesus preached and what the Catholic Church continues to teach, that 1) all men are created equal; 2) that they are endowed by their creator with certain unalienable rights; 3) among these are life, liberty, and the pursuit of happiness; 4) and that governments are instituted to secure these rights (Preamble to the Declaration of Independence). We are still working to be the people and the society that Jesus has called us to be this July 4, 2024. However, we have made progress. We need to continue in our journey toward becoming a closer image of Jesus. First, we are able to celebrate and do many of the celebratory things we enjoy and honor on this July 4th, we can come together as a family to thank God for creating us equal and for enshrining our rights and liberty in our nation's Declaration of Independence and Constitution. The challenge has always been and will always be: how do we stay true to the spirit of these great historical documents? Better yet, how can we be better brothers, sisters, and friends to one another as Jesus would want us?

Fr. Mike Ronayne

DID YOU KNOW? - Summer and water safety at home

While parents are often hyper vigilant around pools and lakes, drowning can happen at home in an instant, especially with very young children. This summer, watch children around water at home, including buckets, containers, and kiddie pools. Children can drown in as little as an inch of water, so constant supervision is necessary. It's also important to empty water containers as soon as play is done. For more tips about home water safety, visit <https://www.safekids.org/watersafety>.

DE NUESTRO PARROCO

Este 4 de julio recordemos los ideales de los Fundadores de nuestra nación quienes supieron articular la filosofía en la que se ha de anclar nuestra nación. Esta filosofía se alinea mucho con lo que Jesús predicó y lo que la Iglesia Católica continúa enseñando, que 1) todos los hombres son creados iguales; 2) que están dotados por su creador de ciertos derechos inalienables; 3) entre estos están la vida, la libertad y la búsqueda de la felicidad; 4) y que se instituyen gobiernos para garantizar estos derechos (Preámbulo de la Declaración de Independencia). Seguimos trabajando para ser las personas y la sociedad que Jesús nos ha llamado a ser este 4 de julio de 2024. Sin embargo, hemos avanzado. Necesitamos continuar en nuestro viaje para convertirnos en una imagen más cercana de Jesús. Primero, podemos celebrar y hacer muchas de las cosas de celebración que disfrutamos y honramos este 4 de julio, podemos unirnos como familia para agradecer a Dios por crearnos iguales y por consagrar nuestros derechos y libertades en la Declaración de Independencia de nuestra nación. y Constitución. El desafío siempre ha sido y siempre será: ¿cómo nos mantenemos fieles al espíritu de estos grandes documentos históricos? Mejor aún, ¿cómo podemos ser mejores hermanos, hermanas y amigos entre nosotros como Jesús querría que fuéramos?

Padre Miguel Ronayne

**Recordatorio**

¿SABÍAS? - Verano y seguridad en el agua en casa

Aunque los padres a menudo estén hipervigilantes cerca de piscinas y lagos, un ahogamiento puede ocurrir en casa en un instante, sobre todo con niños muy pequeños. Este verano, vigile a los niños cuando estén cerca del agua en casa, incluyendo cubos, recipientes y piscinas infantiles. Los niños pueden ahogarse en tan sólo un centímetro de agua y por esta razón es importante la supervisión constante. También es importante vaciar los recipientes de agua en cuanto terminen de jugar. Para más consejos sobre la seguridad en el agua en el hogar, visite <https://www.safekids.org/checklist/lista-de-control-de-la-seguridad-en-la-piscina>
