Mission Statement

We the people of Old Mission Santa Inés, following the path of Jesus Christ, are making His vision a reality through love, unity, justice, joy, and hope.

Nosotros el pueblo de la Misión Santa Inés, siguiendo el camino de Jesucristo, estamos realizando su visión por medio del amor, la unidad, la justicia, la alegría y la esperanza.

FROM OUR PASTOR

God commissions different kinds of servants. Patriarchs and Matriarchs, judges, and kings are all examples. Among God's most loyal, faithful, and enduring servants are the prophets. Isaiah and John, the Baptist, are among many examples—men and women. They proclaimed God's word and explained God's will. They announced, beforehand the consequences of disobedience and the blessings of obedience. God does not always pick the most obvious candidates. Some prophets came from humble origins like Amos and were reluctant like Jonah. Still, God performed wonders through them. Jesus identifies Himself as a prophet—even though His neighbors reject Him. If we are loyal to the Lord and faithful to His Word, the Lord works wonders.

Humble origins, anxieties, rejection from loved ones, are no obstacles for God. When we are baptized, we anointed by holy oils and the Holy Spirit. and called to be prophets. Let us not despise ourselves or others who hear and respond to God's call. Let us focus on becoming loyal faithful servants of Jesus. Fr. Mike

DID YOU KNOW? - Age-appropriate curiosity in school-aged children

Last week, we covered young children and natural curiosity about their bodies. This week, we will explore natural curiosity behaviors in school-aged children (around 7-12 years old). It's important to understand the difference between appropriate and inappropriate, as inappropriate behaviors could be a sign of abuse. Common curiosity at this age includes playing games with same-aged friends like "family" or "dating," or wanting privacy. Children at these ages may also begin to take an interest in members of the opposite sex and ask questions about relationships. For more information, read the VIRTUS® article "Differentiating age-appropriate curiosity from harmful sexual behavior" lacatholics.org/did-you-know/

**DE NUESTRO SANTO PADRE
INTENCIONES PARA MAYO****Por las condiciones de trabajo**

Oremos para que, a través del trabajo, cada persona encuentre su plenitud, las familias se sostengan con dignidad y la sociedad se humanice.

DE NUESTRO PARROCO

Dios ha escogido servidores de algunas clases. Por ejemplo, hay patriarcas y matriarcas, jueces, y reyes. Entre los servidores mas leales, fieles, y que existen hasta el día de hoy, son profetas. Pensamos en Isaías y San Juan Bautista entre muchos ejemplos-hombres y mujeres. Profetas proclaman la Palabra y explican la voluntad de Dios. También, proclaman antemano las consecuencias de desobediencia y las bendiciones de obediencia. Dios no siempre escoge los candidatos mas obvios en nuestros ojos. Amos tuvo una historia personal muy humilde. Al principio, Jeremías era muy tímido. De todos modos, Dios ha hecho maravillas por medio de ellos. Jesús mismo se identifica como profeta. Si somos fieles en el servicio de Jesús y su Palabra, Dios va a hacer maravillas a través de nosotros. En el Bautismo, recibimos la unción de aceites sagrados que representa la unción del Espíritu Santo para vivir como profetas. No debemos de despreciar a nosotros o a otros-no importa su historia personal-si escuchamos la llamada de Dios. Que nos centremos en nuestra lucha para vivir como buenos servidores del Señor.

Fr. Miguel

¿SABÍAS? - Curiosidad de niños de edad escolar apropiada para su edad

La semana pasada hablamos sobre los niños pequeños y la curiosidad natural de su cuerpo. Esta semana hablaremos de la curiosidad natural de los niños en edad escolar (entre 7 y 12 años) y de los comportamientos apropiados para su edad. Es importante entender la diferencia entre lo apropiado e inapropiado, ya que el conducto inapropiado podría ser un signo del abuso. La curiosidad habitual a esta edad incluye jugar con amigos de la misma edad que son "familia" o "novios", o querer tiempo solo. Los niños de estas edades también pueden empezar a interesarse de los miembros del sexo opuesto y a hacer preguntas sobre las relaciones. Para más información, lea el artículo de VIRTUS® "Saber la diferencia entre la curiosidad apropiada para la edad de la conducta sexual peligrosa" (Differentiating age-appropriate curiosity from harmful sexual behavior) en <https://lacatholics.org/did-you-know/>
