

A very special thank you to all the gentlemen who help in the ministry. Their presence is very important in the success of many of our events.

Dear Joanne and Ladies
of Hospitality and Caring,
Thank you so, so much for all
you did to host the beautiful
reception for our Jubilees. What
a wonderful event it was! I
am very touched by your outreach-
ing ministry. I know to put on
such an event took many hands
and much care and love. I
thank you.

Each of you remain in my
grateful prayers. I ask the Lord's
blessings on you and all your
families. In Christ,
Sister Elizabeth
