

We invite you to have a permanent presence in the new Healing Garden by becoming a sponsor.

The Healing Garden is located on the south side of the mission grounds in between the Stations of the Cross and the Our Lady of Guadalupe Shrine.

Sponsorship is a way to support the Healing Garden project and to have a legacy on the Mission grounds for yourself or a loved one. The garden has a 30' x 30' area paved with commemorative bricks in the shape of a cross, a life size statue of Jesus the Healer, and benches for quiet contemplation. Visitors are surrounded by native and Biblically based healing, drought tolerant plants. The natural setting of the Healing Garden is peaceful.

Commemorative bricks can be engraved with your name or the names of those you know who are seeking healing or to honor someone special, a special occasion or in a loved one's memory. Bricks have 3 lines of 20 characters per line for engraving. Extras include adding a religious symbol (see below) and/or a miniature size brick engraved the same as the brick you order for you to keep.

Bricks are ordered at the end of each quarter.

Bricks are in place by the end of the following quarter.
